

MEDJUGORJE PILGRIMAGE

With **STELLA MAR FILMS** + Hosted by **MIRJANA**

Join the Stella Mar Films crew (**Apparition Hill, The Triumph**) on a life-changing PILGRIMAGE to a place of miracles and get a first-hand glimpse into our work. We'll immerse you in Medjugorje! Our group will stay with the visionary Mirjana, with Miki Musa as guide. Filmmakers Sean Bloomfield (who recently helped Mirjana write her auto-biography), Cimela Kidonakis and Jessi Hannapel will lead the journey. Mirjana will give her testimony, answer questions, and spend time with us. As a group, we'll experience all that Medjugorje has to offer, including Cross Mountain and Apparition Hill, prayer and Mass at St. James Church, meetings with priests and visionaries (when available), great food, and more. Plus, we always make time for optional side-trips to places like Dubrovnik, Mostar, and the waterfalls. Pack your bags and embark with us on a spiritual adventure!
